Steel the Show! Totalspan Wairarapa. Working Owner Profits of $205,000

Totalspan Wairarapa designs, sells and builds quality steel buildings for farmers, lifestylers, homeowners and businesses right across the Wairarapa. Customers can wander through real Totalspan buildings at the Masterton display site, and the business takes every job from that first chat all the way to handover. Now that's a business that's built to last.

After ten years of ownership, the vendors are ready for a new challenge. A new owner steps straight in with a skilled crew, proven systems and a national brand behind them. No need to start from scratch, the frame is already up.
