Hair & Beauty, Serious Profits! $900K Sales, $500K Profit, Auckland (cml 11663)

High-Performing Business with Profit hard to ignore! This is not your average Hair & Beauty business! With a loyal customer base, hundreds of fantastic Google reviews & impressive financial performance, this established operation has serious earning potential. Generating circa $900K in sales for FY26 & approx $500K Sellers Discretionary Earnings (SDE), the numbers speak for themselves. This very busy business requires energy, commitment & strong leadership. The current working owner has put in serious hours & is now ready to enjoy a slower pace of life. For the right buyer, this is an exciting opportunity to take over an already successful operation & make your own. There is also scope to further improve the lifestyle! By introducing another senior staff member, a new owner could potentially reduce their hours.

- 5 full-time & 2 part-time employees

- Established team, with some staff holding accredited employer work visas

- Strong repeat clientele and established reputation

- Fantastic Auckland location in a busy block, surrounded by corporates, cafes, a supermarket & plenty of other shops

- Excellent exposure close to a main arterial road

This could be an outstanding acquisition for an experienced hair or beauty operator looking to step into an established, high-performing business, or an investor with the right management structure & resources to take it forward.

Priced to Sell - Don't Miss This One!

The owner is motivated & priced the business very reasonably to achieve a timely sale. Opportunities to acquire an established hair & beauty operation generating this level of profit do not come along often.
