Burger Wisconsin Franchise for Sale Havelock North

GOURMET SINCE 1989

A longstanding Burger Wisconsin available in the heart of Havelock North.

Operating from this location for more than 25 years, the business offers an affordable route into a recognised New Zealand hospitality franchise. It currently trades from 4.30pm to 9.00pm, seven days per week, with pickup and delivery available.

This is not a start-up. The incoming owner will take over an established operational base, with the opportunity to add their energy and develop the next stage of growth. A key focus will be progressively introducing lunch trading, supported by the franchisor through business planning, staffing, local marketing and operational guidance.

Burger Wisconsin was established in 1989 and is New Zealand's original gourmet burger brand. Franchisees are supported by the Mariposa Restaurant Holdings support office in operations, training, marketing, accounts and finance.
