Solar & Electrical Business - Nelson & Marlborough Region

Established Solar & Electrical Business | Growth Industry | Lifestyle Location
Price $170,000
Profit $118,000 (Working Owner)

Step into New Zealand's growing renewable energy sector with this established solar and electrical business. Based in a desirable coastal lifestyle region, the business has built an excellent reputation and a strong pipeline of referral work.

Ideal for an ambitious electrician wanting to become their own boss, or an existing electrical contractor looking to expand into the high-growth solar market. Currently owner-operated, there is significant opportunity to increase capacity, grow revenue and build a larger team.

This is a great opportunity to acquire a respected business which is positioned to benefit from the increasing demand for solar energy solutions across New Zealand.

Established solar and electrical business
Strong local reputation
Desirable lifestyle location
Significant growth potential
Ideal owner-operator opportunity
Excellent bolt-on acquisition
In the fast-growing renewable energy sector
