Business Minded and Interested in Renovations

The renovation market is huge. In fact it's the biggest segment of New Zealand's construction industry!

We are looking for people who are excited about growing a large profitable business in the renovation market.

If you are good with people and are driven by business outcomes, then this could be the right opportunity for you.

You DO NOT have to be a builder, just business minded. This franchise has a limited number of territories available throughout New Zealand, and in just a short time 35 of the 60 territories are up and running.

The turnovers range from \$2 million to \$5 million with an average profit of 11%.

Do you want to be part of the leading national design and build renovation specialist in New Zealand?
