Business for Sale Description

Mobile Coffee Business Opportunity for Sale Ashburton

Want to own your own business? Sick of working for wages?
Take control and join NZ Premier Mobile beverage team today!

Mobile Coffee and Cold Beverage business for sale.

You could enter this exciting business for a low deposit of \$16,000 plus GST if applicable. (Finance approval conditions apply).

Attention grabbing signage, premium consumables, branded uniform and marketing support is all part of the low entry price.

An active website and customer support office is part of the package.

Brand new high quality equipment is installed in the impressive stainless steel fit out. The Vendor guarantees the finished product 100%.

As part of the team you are partnering with a business with over a decade of experience in Mobile Business Concepts.

The vans are certified to NZ electrical /gas fitting standards .This is essential for your and the publics safety.

On board electrical system, refrigeration and an electric/gas powered coffee machine and water means you can park up anywhere and make sales.

The total \$31.990, one off cost (Plus GST if applicable) includes branded vehicle, uniform, marketing tools, extensive three days training program and a licence to use the Shot mobile brand.

We manage the approval of the Mobile Trading Licence in your location.

This is a licensed business, not a franchise, there is a difference. We set a small weekly fee that is not a % of turnover that can discourage you from growing your business.

To maintain a superior product, The Shot mobile undertakes to complete four new fit outs only per annum.
