Special Small Cafe in Waihi Town

Business for Sale Description

Cafe for Sale Coromandel

Do you want to own a cafe that keeps growing from strength to strength and is part of a great community?

This is it!

There is further scope in this business to grow as it has not met its full potential.

All the food is made onsite, from scratch, in its open kitchen - right down to the bread.

This point of difference (from scratch and using natural/organic/local products wherever available) has created a strong local following, and now the traveling customers are starting to catch on too!

The café could develop further just by trading more days (currently trading only 4 days) or extending their current offering, to maybe carrying a retail range complementary to the current offering as there are no health/organic stops in town.

The cafe is in a great location on the main street, and the lease is approx. \$210 per week plus GST – fabulous!

The cafe offering is based around simple good quality products done well, and you know this immediately as a customer and you can't wait to go back for more!

Working owner is taking home approx. \$75,000.

The current owners have enjoyed the last 3 years and have ironed out the kinks for the next owners, to roll in and add their touch.
