Business for Sale Description

Ice Cream And Takeaway Business for Sale Auckland

Prime location on offer here and suitable types of business use.

Same owners of 2 years are moving overseas and offer to a new owner a retail premise currently operating as Icecream shop. There is seating for 30 and we are told that this business could suit perhaps Indian, Kebabs or Mexican.

Base weekly sales are in place but this business needs someone with a vision to bring additional product mix to build on the sales.

Definitely a growing location with huge residential development and this business is very well supported by excellent anchor stores. What are you waiting for?
