Spectacular Earnings - FHGC Opportunity

Business for Sale Description

Cafe Gallery for Sale Fox Glacier

A unique setting and a great business model exists right here in the busy and proven tourism region of Fox Glacier.

A renowned business is already in place and can continue as is, or let your imagination run wild with what else you could offer to travellers as there is still room to develop the parcel of land further.

The natural flow from the Lake Matheson DOC carpark area is directed through and past the businesses, so an estimated 250,000 potential customers on an annual basis and set to rise with a recent announcement of Lake Matheson being in the Great Day and Great Short Walks of New Zealand, this could only mean even more punters for you!

A true and real opportunity of a FHGC investment, with the bonus of being in growth phase, could have you growing with the tourist numbers in to this stunning Iconic region of New Zealand.
