Business for Sale Description

Cafe and Restaurant for Sale Auckland

A popular cafe and restaurant business is now offered for sale in the busy Lorne St - just a few minutes walk from Queen St

Perfectly located to attract locals and tourists visiting Auckland

Two businesses in one - Offering delicious pizzas etc during the day and shisha and entertainment in the evenings

This is when the restaurant comes to life and tables are very much in demand!

Can seat around 100 patrons inside and 14 outside

Whilst the business is still quite young the turnover continues to grow and has now reached \$15,000 per week

With live music at the weekends it is always busy and is a perfect business for someone who has the energy and experience in managing an 'entertainment restaurant'

From a recent happy patron "It was my very first time going there tonight I really enjoyed the night, very delicious tasty shisha with great customer service and very friendly staff members. Keep up your great work will definitely recommend this place to others and will definitely be back for sure!"
