Business for Sale Description

Change Management Consultancy Business for Sale Auckland

Over the past 7 years this organisation has developed an impressive client base amongst NZ's highest profile companies. Their specialty is helping high-risk industries improve their performance and bottom line. The secret to their success is the delivery of a range of innovative and proven programs, many of which have been productized. This provides for a highly profitable and scalable licensing and service business model.

Key features

Virtual offices
Low overheads (<\$500 per month)
No capital required for or locked up with stock/inventory
