Business for Sale Description

Engineering Business for Sale Taranaki Manawatu and Wanganui

Changing circumstances has created a unique opportunity to purchase a long-established and profitable engineering and steel fabrication business. Businesses like this offer their owners stable and consistent income with further growth potential.

Based in Taranaki with national and international reach, this business has a large, high value customer base in the construction, government and infrastructure sectors. Services provided include sheet metal, precision and machining, structural and non-structural steelwork, erection, design and fabrication.

Established for over 50 years, this business offers a consistent profit history. Its reputation in the market is excellent, supported by highly skilled, long term and reliable employees. High profile projects and brands form part of their portfolio. There is a strong pipeline of future work and significant opportunities for growth for an astute investor are evident.

Note: Strict confidentiality applies. To this end the name and location of this business will only be disclosed at a meeting with the broker. Purchasers must be able to demonstrate the financial capability and business experience to proceed before detailed information will be shared.
