Business for Sale Description

Sound, Lighting and Entertainment Hire Business for Sale North Shore

If working in a fun industry sounds like you, this could be a seriously good buy. This unique, specialised hire business has opportunities to expand in a number of directions. Currently run from its commercial location close to the motorway on the North Shore and with a brand new lease available; is ideally located to easily capture the Auckland and beyond private and corporate clients.

The products and equipment available for hire are mostly focused on sound, lighting and entertainment, but there are other very popular facets to this business that make it a natural "go-to" company for a lot more than just sound and lighting (including being a NZ leader in an exclusive LED product range) which have manufacturing opportunities nationally.

The business systems already in place are completely adaptable for the addition of a number of extra categories in the hire industry to be added. It already enjoys a high profile and the simplicity of the business means that you can easily structure your own working model, allowing you plenty of time to further promote the business. Yes - there is a possibility that this business could be run from a home in an accessible location either side of the bridge.

Normalised FY17 P&L accounts are showing a cash surplus of \$105,000 without the owner working too hard, and FY18 is looking to be an even further improvement on these results. Current plant and equipment assets BV is \$176,000. This business is genuinely for sale as the vendor is looking to move into a new non-related business venture with his wife.

Asking Price: \$276,000 - Negotiable.
