Retail Business for Sale Wairarapa

Time for a change - this neat little shop in the heart of Carterton accommodates those looking for that genuine customer service when they bring their mower, chainsaw or weedeater in to be serviced. The current owner offers a pick up and delivery service as well as an easy to find drop off area at the rear of the building.

Anything from oil changes, blade or chain sharpening, belt replacement and more.

This great little business would suit a mechanically minded hands on operator to continue the fantastic sales and servicing that has been established over the years. Don't wait any longer the grass is growing!
