Business for Sale Description

Tavern for Sale Midhirst Taranaki

One of the most recognised taverns on the highways of Taranaki.

Situated in the centre of Midhirst on Highway 3, 25 minutes from New Plymouth and just 5 minutes from Stratford, the famous Midhirst Tavern has been plying its trade for many many successful years.

The present owners for over 13 years, have created a fantastic following from the locals with their legendary meals, described to me as good Kiwi tucker, and excellent friendly service.

The Hotel boasts a commercial kitchen, restaurant open 6 days for lunch and dinner and a 7 day bar, pool tables and a 6 bedroom apartment upstairs!

Ample off road parking for guests.

Business Resources

There are real possibilities for expansion. A cafe has been discussed, expand the menu, offer bands and music during the summer and evening BBQ's to name just a few.

The tavern trades very well and is a perfect location to catch the passing traffic plus provide an excellent meeting place for the local trade.
