Invest in the Future of Animation - Generous Returns

\$3 million funding sought in the formation the next-generation animation production company by the current shareholders of Plastic Wax, leaders in real time rendering technology with 20 years + industry experience and strong, longstanding relationships with industry leaders Nickelodeon, Netflix, Disney, Marvel, Warners Bros, and Microsoft.

This early stage funding will help:

- Secure a lead position in two new growth markets
 - o 'real-time rendered' animated series
 - o virtual and augmented reality
- Commence work on over \$82 million of contracts over the next 2 years.
