Business for Sale Description

Printing and Signage Business for Sale Auckland

This long established South Auckland printing business is on the market for the first time. The owner is ready to retire and is wanting to sell both the business as well as the Freehold Building. A great opportunity to buy a long established business and be your own landlord as well.

Incorporating both Offset, Digital along with outdoor signage, this well rounded South Auckland printing business is on the market for the first time. Established in 2007, the owner has now decided to retire and offer both the business as well as the freehold property for sale.

The owner has advised that sales are consistent at over \$300,000 per annum which makes this an ideal business for a new owner who has previous printing experience. The owner will provide training, but it would be preferable if the new owner has had previous offset printing experience.

The business will also be offered separately should the new owner not wish to purchase the Freehold.

This business is priced at \$140,000 plus stock.
