2018FY EBPITDA \$2.7million (YTD)

Health & Safety systems and operating procedures well developed and in place

Relocatable plant

Sample testing laboratory (WaterMark level 1 & ISO 9001:2015 accreditation)

Experienced and capable staff

Growth opportunities

Manufactures HDPE pipe from 160mm to 1600mm diameter

Current site allows pipe to be manufactured in lengths of up to 105 meters

Strong asset base in place

High barriers to entry

This business has the infrastructure in place for further growth into the huge general waste, sewer and potable water markets.

Significant investment has taken place to ensure the manufacture and supply of HDPE pipe to the highest standards.

This is truly a rare opportunity for a potential buyer whether they be an off-shore company looking to enter the NZ water pipe market or shipping plant and equipment off shore for their own projects, or an existing manufacturer looking at increasing their production capabilities.

Expressions of Interest close at 4.00pm on 10th September 2018 (unless sold prior).

Purchasers must be able to demonstrate the financial capability and business experience to proceed before detailed information will be shared. Complete a confidentiality agreement at [linkbusiness.co.nz/EL01537](http://linkbusiness.co.nz/EL01537)
