Business for Sale Description

Infrastructural Support Services Business for Sale Operations Nationwide

This highly profitable business provides its services to their client base within the power, infrastructure and construction sectors across the country.

The company's services are considered essential to vital infrastructural and structural assets and to significantly mitigate the risk of damage.

The business has been operating successfully since its inception in the early 1990's and continues to retain and secure new contracts for its services.

Competent and trained staff in place including an experienced Manager.
