If you are looking for the best of the best in East Auckland look no further.

Business was under an offer and the vendor believed the agreement would proceed as planned however the contract fell and meanwhile the Vendor purchased another business in a different industry. A very capable qualified manager has been appointed to manage the day to day operations of this business. As at today (4th April 2019) the Vendor has reduced the asking price by \$100,000 to a very saleable price of \$465,000. This business if run under management would generate a 30% return on investment without getting one's hands dirty. If you are in the market for the best buy of 2019 act now.
