Business for Sale Description

Dry Cleaning Business for Sale Auckland

This has been established for long time and it is popular among the locals. Due to family reason vendor must sell. The business is open for only 6 days and for short hours. All customers are regulars and there are plenty of walk-ins.

There is a lot of room of improvement for this business, but the vendor is tired and wants to focus on family.

The rent is reasonable, and lease is secured until 2028.
