Action Kart Raceway, Christchurch. First Time On The Market In 13 Years

Business for Sale Description

Action Karts Business for Sale Christchurch

Outstanding business opportunity to make some “traction” and own your own indoor Go-kart raceway in Christchurch.

There is no other indoor dirt kart track in New Zealand quite like it – Our vendor started this business 13 years ago, and has a loyal customer following, along with those wanting to experience the unique thrill of indoor dirt karting for the first time.

Go-karting is great for individuals or groups, and popular for corporate team buildings, birthdays, stags/hens' parties & tourist groups, or just anyone wanting that adrenalin rush!

Located close to the Christchurch International Airport this business is in a fantastic location and easy to locate.

The indoor dirt kart track is not your typical “point the go-kart and it goes there” race surface, that’s far too easy. At Action Kart Raceway the wheels lose traction and as you ‘hold on’ the kart slides sideways, giving you two choices:

1. Spin out and watch the rest of the karts roar past you OR
2. Control the slide and set your kart up for the next corner.

Its not easy, but if it was it wouldn't be fun!!!

The business demonstrates year on year consistent revenue with impressive returns to a working owner.

An ideal business for a car enthusiast that likes the adrenalin rush, alternatively it can easily be run by an entrepreneur or automotive mechanic seeking a change while earning a solid return on investment.

Gain some traction now – don't let this opportunity slip away.
