Business for Sale Description

Trade Services Business for Sale Wellington

This business is ready for the new owner to step in and generate income from day one!

It is an outstanding business with:

- Day-to-day operations run by trained staff
- Well located for trade customers
- Loyal and repeat clients
- Service Agency for high profile brands

As an independent business, all the hard work is done, there are no franchise fees, no marketing fees and you don't have to do regular expensive fit-outs. This business has only one full time staff and a contract staff to handle any overflow.

The current owner is selling the business due to family commitments. Therefore, the new owners can reap the benefits of all the investment put into the business by the current owner.

The potential new owner may be a person who has worked outside in the elements or doing heavy work but now looking for an opportunity where most of the work is in a workshop and not involved in heavy lifting, climbing or crawling into tight spaces.

Take a look at this business; it could be the business you have been dreaming of.
