Be very quick to view this lovely licensed family Restaurant / Takeaway in a desirable affluent suburb. This is an exciting opportunity in the under \$100,000 price range!

This is a really easy operation ideal for a couple and well sized at around 30 seats in and out. There is also potential to expand into the rear courtyard if desired. There is a spacious parking area in front of the restaurant too. With a good lease and very reasonable rent, this is a fabulous opportunity.

The business opens very short evening hours with sales predominately from takeaways. Licensed dining is popular mainly on the weekends.
