Designer Security Doors Business for Sale Auckland

This is a unique opportunity to takeover a steadily evolving designer security door business.

Dora Doors started in 2011 as an exciting alternative to bog standard aluminium flyscreens. Our vision was to create designs with a Kiwi flair and add genuine value to a homeowners asset.

Every door has been beautifully handcrafted and our testimonials are by the hundreds. We have built our business up with integrity, honesty and dedication. Our clients are genuinely impressed with the customer service we provide and of course a refined and elegant end product.

This niche business has enormous ongoing potential. The new owner will be at the tip of the iceberg for ongoing sales and potential growth.

Your investment for further opportunities:-

- Implentation of our clever adjustable Buy Now Dora Door desirable for nationwide distribution potentially through major NZ hardware retailers.
- Capability of incorporating our designs within any NZ screen company's manufacturing process
- Brand new 'budget conscious' security door company with a fun range of designs at an attractive price point with a [www.quickfixsecurity.co.nz](http://www.quickfixsecurity.co.nz) website

- Incorporation of Dora designs in window grills an emerging security trend

Plus a host more with new builds, body corporates, school tenders etc.

Every home has a front door. Our enquiries come from all over NZ and we can make and deliver nationwide.

Security doors provide natural airflow with peace of mind and are a fast growing commodity, becoming more a 'must have' item for all NZ homes.

The set up and value of Dora Doors as a brand has been done but has become bigger than us, its time for someone with the vision to take it to the next level. This is a serious boutique business you can delegate, enhance or integrate alongside your existing manufacturing plant with a creative and ambitious sales force.

## **Business Resources**

What do you get? All Dora Designs and Buy Now stock along with plant and equipment, forms and welding jigs. Files for laser cutting. An impressive easy to use website [www.doradoors.co.nz](http://www.doradoors.co.nz). A facebook page with over 770 following. Our word of mouth enquiries have increased substantially and our SEO very good. We do not google advertise and Dora Doors appears on the first top half of page every time.

The owners are the staff! For the new owner we would be willing to stay and work as part of your team to ensure smooth handover. We are a homebased office and our doors are/can be contracted out to multiple metalworkers or you simply make good use of existing staff to add another string to your bow.
