Franchise for Sale Description

Mexico Restaurant Franchise for Sale Tauranga Auckland and NZ wide

After seven years of service as New Zealand's most loved Mexican restaurant, serving over 10,000 customers every week and over three million (or thereabouts!) Margaritas created and consumed, we are welcoming new owners to the Mexico family.

Mexico is a unique business with a special history. It is the brainchild of a small group of very talented people who had an aspiration to build an immersive dining experience with a whole lot of personality. Over the next seven years they assembled a like-minded team who poured a lot of love into realising their dream. The result of all their cleverness and experience can be found in any Mexico restaurant.

Now we're out conquering new locations throughout New Zealand. Opportunities are available now in Tauranga and Auckland (be quick!) with more locations in the pipeline.

If you are passionate about hospitality, owning a Mexico restaurant could be the most enjoyable way to be involved in successful restaurant ownership.
