## Franchise for Sale Description

Web Development and Digital Marketing Business Opportunity for Sale NZ Regions

This is an opportunity to make a great living while having a flexible lifestyle where you can enjoy the professional satisfaction by helping your clients grow their business in a positive manner. You will get to engage with businesses and support a product that businesses actually want & need.

This is one of the only online website site development and marketing services where your clients can pay no money upfront and get a full professional and custom developed web solution without having to spend thousands of dollars up front (unlike most of the competition that can't offer the same).

## Business Resources

- **SUPPORT** - you'll be supported by a comprehensive team of 9 designers, copywriters, content designers, marketers and administrators to build your client's web solutions.
- **CREDIBILITY** - several hundred successful clients, so you can enjoy the established credibility of an established website firm.
- **FREE TRIAL** - all licenses come with a 3-month no-obligation free trial before any financial commitment is required.
- **TRAINING** - full training is supplied at our head office (or virtually online) with monthly and quarterly in-market

visits.

- INFORMATION - the licensee receives all our marketing collateral and successful lead generating material.
