Business for Sale Description

Dog Boarding Daycare and Grooming Business for Sale Auckland

Exclusive opportunity to purchase a generous 4.8Ha plot of land located on the outskirts of the new urban living area designated for Auckland's next residential expansion.

The land is operating as a purpose built and market leading unique social boarding and day-care business for dogs. The facility provides a secure and private roaming enclosure for the members (dogs) attending to experience. Dogs within their care are allowed to socialise with their companions rather than be in pens or cages. This has been noted to be much better for the dogs behaviour and demeanour.

Sustainable EBITDA of \$0.300m experienced from the business. This figure includes the add back of lease expense.

Sale Price - \$2.600m

Business Resources

Facilities have been well-maintained and the perimeter has been appropriately deer-fenced to ensure the guests are well looked after. 40 CCTV cameras have already been installed to ensure that all guests are monitored accordingly.

Existing owners are open to providing support post settlement to ensure easy and stress-free transition.
