Franchise for Sale Description

Home and Commercial Cleaning Franchise for Sale Christchurch

Green Acres is one of New Zealand's most successful and longest running franchise systems and is recognised as one of the best in new Zealand. There is currently a rare opportunity to join the Christchurch Home & Commercial Cleaning team. Turn over starts from \$72800 per year. Guaranteed minimum yearly income for the first two years

Based in Christchurch and surrounding areas, you can design your business to work around your existing lifestyle or family commitments or build your own business empire. A Green Acres franchise can be as big or small as you want it to be. Home & Commercial Cleaning includes window cleaning, builders cleaning, oven cleaning, spring cleaning, floor buffing, etc.

I have made the difficult decision to sell my Green Acres Home & Commercial cleaning business. I have had the opportunity to learn what is involved in running a successful business with the support of Green Acres, and it has really been an exciting journey.

You will be earning income from day one and will take on a well-established client base. You will be provided with comprehensive training and all the tools needed to make your business a success.

All you need is a good attitude and work ethic, along with the desire to own your own business.
