West/ Central Auckland Centre

Business for Sale Description

Childcare Centre Business for Sale Auckland

Licensed for over 65 Children
Great Occupancy
Super staffing and management in place
2018 EBIDTA of circa \$315,000
Asking \$1.25M by negotiation

This great centre has come to the market after many years of solid ownership, well poised for a new owner to simply step in and take over with consistency. All of the hard work has been done. I have 4 years consistent accounts to who prospective purchasers.

The location is superb with a captive audience, high traffic and easy parking.

The centre itself is very pretty and well resourced, there really is not a lot to do here a simple turnkey venture. Again this is a fully managed business with a great centre manager and support staff underneath.
