Thriving Automotive Workshop Earning Over \$200k

Business for Sale Description

Automotive Workshop Business for Sale East Tamaki Auckland

This workshop and automotive service centre is very well located in the thriving East Tamaki district. Operating for many years, the business is highly regarded by a large number of regular customers and the online testimonials are first rate. There is a dedicated team of 4 technicians on the job and the premises presents in first class condition.

There are a total of 6 hoists within the workshop along with a full range of diagnostic and other quality plant and equipment. The layout includes a tidy lunchroom and nice office /reception area plus additional space to expand if required.

Services range from diagnostics and tuning to servicing, repairs and even full engine re-builds. The company has built excellent relationships with local fleet operators and this is a great source of repeat business.

The financial performance of the business is very sound with a forecast return to a working owner of around \$200k for the 2019 financial year.

This is a turn-key opportunity for a new owner and the current owner is more than willing to stay on to assist just as required.

Excellent light-industrial location

Strong team of stable staff

Fantastic returns for a working owner

Modern plant and equipment

This is an excellent opportunity to acquire a very sound business in the Automotive industry and the purchase price is validated by financial results and supported by substantial plant & equipment value.

Asking \$395,000
