### Business for Sale Description

Tiny House Construction Business for Sale Matakana Auckland

Tiny House construction business – Ark Designs.

Ark Designs is the only tiny house construction business that has a Multi-proof certification.

For the last three years we have concentrated on systematically producing affordable housing, nationwide through multiple councils. Consequently Ark Designs is able to supply affordable housing for an extremely competitive price.

Ark Designs consist of two separate designs, both covered under our Multi-proof certificate. The Ark is transported to each site as a kit-set, taking approximately 14 days to construct.

Potential future for Ark Designs: establishing franchises nationwide and developing a kit-set option.

Sale is for the rights to trade as Ark Designs nationwide, all intellectual property and upcoming sales. Projected annual sales \$810,000. Could be increased with further marketing.

### Business Resources

Intellectual property - Multi-proof, plans, engineer reports.

Home based.

Cost of plant negotiable.
