For Sale

Location: **New Zealand**

Asking: **$100,000**

Type: **New Opportunities** / **Services-Home/Garden**

Exciting Landscape Franchise throughout New Zealand

Zones offers entrepreneurs the chance to scale a business while helping homeowners create their ideal back yard or landscape. Zones was established in 2014 by Traffic group and was designed to provide homeowners with a simple solution within an otherwise fragmented industry. Since 2014, Zones has won the Westpac NZ Franchise Awards “Best Emerging Franchise System Award" twice.

As a Zones business owner, your focus will be on building customer relationships and a successful business. We are looking for potential franchisees who are business minded, customer focused and want to grow a valuable asset. No experience in the trades? No problem! The majority of our current franchisees are from industries outside the trades.

Business Resources

Being the first franchise business to specialise in landscaping on a national level Zones provides end-to-end project management using a proven 6 step process.

Every franchisee receives continuous business support from a large team of specialists.

Franchisees can expect ongoing training and 24/7 access to business manuals.

Zones is created by the same people who established the world leading renovation company *Refresh Renovations.*
