## Backfill Conveyors Ltd - Remote controlled Machinery for the Construction Industry.

### Business for Sale Description

Construction Services Business for Sale Christchurch

This well known business offers a unique service to the building and construction industry. It has the ability to place aggregates and backfill in places unable to be reached by conventional methods .

The business capabilities extend to all excavation works for houses, subdivisions and specialises in hill work .

Backfill Conveyors Ltd has been operating for over 10 years and has completed large amounts of work around Christchurch and extensively on the hill areas.

The Vendor will give a good period of assistance to train the incoming purchaser.

Substantial forward work with an extensive client base and consistent profits.

Reluctantly for sale for health reasons.
