### Business for Sale Description

Franchise Business Opportunity for Sale Auckland

This government recognized essential services business was operating profitably even during last years lockdown.

A risk adverse Media Distribution Franchise business, No sales, marketing, lease, bad debts, competition or stocks.

Move quickly – this is a rare opportunity in today's market. This market leading franchisor reports 57% of his revenue from print media.

The franchisor reported an increase in readership of 3.6% last year. This franchise is ideal for a local person/couple with a hands-on approach, an eye for detail and strong people management skills.

You will take over an existing team of experienced, part-time delivery persons, work 3-4 early hours, 5-7 days a week on a 5+5 years franchise agreement.

As with most franchise agreements the price reflects no end of term renewal rights. Hence, you amortize 10% of the value of the business every year to zero value at the end of the term.

In the present employment scenario may result in diminished problems in recruiting staff. You will need to be resourceful and operate within the norms stipulated by the franchisor.
