### Profitable Mobile Business in Niche Market

#### Business for Sale Description

Trim Repair Business for Sale Auckland

Join New Zealand's leading trim repair specialists established for over 20 years. This is an established mobile business in the East Auckland territory specialising in trim repair of leather, vinyl and plastics across a range of industries including automotive, marine, furniture and aviation.

The business operates under a simple license arrangement with a high gross profit and \$100,000+ return to an owner operator.

This is a mobile business operating Monday to Friday with an established database of loyal customers and no rental overheads! Initial training and equipment are included with the business.

Trimfix has a strong foothold in the industry nationwide with a proven system, products and techniques that set them apart.

If you're looking to be your own boss under the guidance of an established and reputable brand with loads of potential, Trimfix may just be the fit for you.
