## Quest Franchise Business, Auckland

### Business for Sale Description

Accommodation for Sale Auckland

A prime Auckland CBD apartment hotel business is on the market for the first time since opening in 2012.

Quest is an award winning and successful apartment hotel business. Seldom do Quest businesses become available within this tightly held accommodation franchise.

Auckland captures repeat business given its prominence in New Zealand's corporate sector. Auckland holds significant social and sporting events and concerts, it is the gateway to New Zealand, providing confidence for hotel operators.

This Quest business has a great location, is well-presented and has panache - a new owner will enjoy a significant annual surplus.

Quest has been delivering on expectations so effectively over the past 15 years in New Zealand, that it has become the fastest-growing accommodation group.

Quest franchise application and meeting franchise criteria is mandatory for all purchasers. In general terms, purchasing a business in this franchise offers a new owner significant benefits

superb franchise systems

supported by a renowned and respected brand

thorough franchisee training

growth

If you are seeking a performing, solid business opportunity and wish to become an integral part of this successful franchise, please complete the confidentiality agreement online to commence discussion.
