Business for Sale Description

Restaurant for Sale Manukau

Vendor finance is available to the approved purchaser.

This fresh fast food concept grew out of an inspired idea that originated in the 1970s. The aim was to take the fresh, delicious recipes used in the family's eatery in the world.

The popular franchise business has grown into an impressive operation with 17 restaurants throughout New Zealand. Each store is individual rather than 'cookie cutter' and reflects the cool, laid-back approach of the founders – without compromising the desire to make money! They source free-range meats for their dishes and there is a definite lean towards nutrition and healthy eating. This store trades extremely well from a great location in a thriving retail district.

The business offers;

Current Average Weekly Sales \$17,000 per week (as per April, May, June and July 2021)

- \$160,000 + to a working owner
- Food cost is sitting at just 28%
- Wages, very well controlled at 29%
- Genuine opportunity for growth
- Amazing lease until 2032!
- Proven processes & systems
- No experience necessary!
- The fastest-growing food trend in New Zealand
