Franchise for Sale Description

Business Coaching Franchise for Sale NZ Nationwide

During the last 23 years, we have trained more than 100,000 clients worldwide. With 8 franchise branches up and running in New Zealand and one branch in Perth, Australia. All our programs are eligible for the NZTE Regional Business Partner Programme and qualifying businesses can receive up to 50% funding. The opportunity offers a flexible, proven and easy-to-start franchise system that allows you to leverage your time and maximise your earnings, with or without employees with low start-up costs and overheads.

Our agile system allows us to scale our training programmes to all businesses of all sizes. Clients can log in to our system via their mobile devices, laptop or computer and receive coaching online or in person.

Business Resources

Online Proven, comprehensive training systems, programme material, support and ongoing development. you will not be limited to a specific geographical area. All our programs are eligible for the NZTE Regional Business Partner Programme and qualifying businesses can receive up to 50% funding. You can employ up to 4 Coaches/salespeople.
