Game Fishing in The Bay of Islands | Live the Dream

Business for Sale Description

Aquatic and Marine Adventure Business for Sale Northland

A dream business where the daily routine is chasing game fish around the Bay of Islands and getting paid handsomely to do it!

The boat is a 40 foot Blackwatch, moored at the wharf in Russell. Fully equipped with everything down to tackle is a turn-key operation. Blackwatch is a very highly regarded game boat and this is in full 'MOSS Survey.'

The boat already generates serious revenue - even without overseas tourists - and they will be back in droves before too long.

The tax advantages of owning a business like this are demonstrable and the business can be run with a skipper in place or you can play a role onboard yourself.

The asking price is close to the market value of the chattels and equipment and the business has considerable brand recognition and value attached to it.

- An exceptional vessel in excellent condition
- Significant barriers to entry
- A well-recognised brand combined great equipment
- Currently predominantly domestic clientele
- Poised to capitalise on tourists returning

You do not need to be a fisherman or have a vast knowledge of fishing to operate this business - it can be fully staffed.

Well priced at \$425,000
