Business for Sale Description

Licensed Restaurant for Sale Christchurch

Well-presented licensed restaurant located in a complex which provides excellent customer parking. While this restaurant has operated for some years offering one type of restaurant cuisine, the quality of the plant, equipment and fitout make the premises suitable for other cuisine types.

With total seating for approximately 100 customers, and excellent bar facilities, the main restaurant is supplemented by an annexe. In addition, the business supplies food via Uber Eats, as well as takeaways to the public, providing additional revenue streams.

The quality fitout and layout is superb - restaurant guests can be clearly observed from the cooking stations and bar, to ensure that attention can be given to them if required. The excellent quality fitout is also a huge benefit to a Purchaser, to enable them to operate easily and successfully at the premises.

This exciting business has become available because of the impending retirement of our Vendors. Astute Purchasers will recognise the opportunity presented here, and we expect strong interest. Make the call now to register for your new business - you won't regret it!
