Business for Sale Description

On Farm Agri Centre Business for Sale Stoke Nelson

On Farm Agri Centre is a profitable business servicing the agricultural and horticultural sectors through the top of the South Island and the West Coast of New Zealand and has grown to be one of the best-known agriculture suppliers in the region, with a base of around 100 regular farming clients, and the opportunity to grow the business further.

A leading supplier of agricultural equipment and parts for the Nelson, Tasman, and West Coast regions of the South Island, New Zealand. In addition to milking shed and irrigation projects the business shows strong sales and servicing income from domestic clients. The business has a number of exclusive and preferred agencies for a range of quality manufacturers such as Husqvarna and De Laval. There is an extensive inventory of parts and stock on hand to support the clients.

The business employees nine staff and the owner-manager who has built the business up over the past fifteen years and is now looking at other opportunities. The vendor is happy to provide an extended hand over period if required to ensure the purchaser has adequate support.
