Business for Sale Description

Health Shop Business for Sale New Plymouth

This very healthy retail business has consistently provided exceptional profits for many years for its owner.

Based in the heart of New Plymouth with excellent foot traffic, this business continues to thrive with the growing base of health-conscious people.

The shop is well set out and designed to provide an excellent experience for people looking for valuable advice.

There are wonderful, well-trained staff in place who have extensive knowledge in their respective fields.

The owner is happy to provide a good handover period.

This is a superb business ready for a new owner to step in and take it up a notch, so give me a call today for more information.
