Health And Safety Compliance

Business for Sale Description

Health And Safety Compliance Training Business for Sale Auckland

The business provides cost effective systems, processes and documentation for small and medium business owners to meet obligations under NZ Health and Safety legislation. It's easy for customers to learn and implement and helps with legislative compliance. It provides process-based publication sets, compliance recording and Safe Operating Procedures records produced specifically for the NZ workplace environment. The current owner offers comprehensive training and a database of prospective new customers. This opportunity will suit someone who combines sales and marketing experience with the confidence and energy to build business. In today's commercial and industrial environment 'Persons Conducting a Business Or Undertaking' have significant health and safety obligations. This business helps them to comply.
