### A Profitable Middle Eastern Influenced Restaurant

#### Business for Sale Description

Middle Eastern Restaurant for Sale Auckland

This well-known Central Auckland licensed restaurant appeals to a wide range of customers who appreciate authentic Middle Eastern food and enjoy dining with friends and family.

The current owners have transformed it over several years into one of the most exciting venues of its kind in Auckland and, despite Covid, it's as popular as ever.

It also has a relatively low rent, strong sales, a brilliant location and easy-to-follow operating systems.

Not surprisingly, it's well-run and profitable!

Furthermore, the vendors have advised that they're keen to provide plenty of assistance, if required, to ensure the new owner continues to operate the business successfully.

Asking only \$285,000 plus stock
