Business for Sale Description

Money Maker Service Business for Sale Taupo

A fantastic business, with a very well-known local brand that has had a refresh and expansion.

The owner works very part-time and in a hands-off role, due to their other business interests. The owner is not from the industry and has proven no specialised industry knowledge is required, but instead the general skills of business ownership.

There are some very unique and exclusive sectors to the business model and the revenue comes from three complimentary areas.

Great team in place, and the growth over the last two years have been fantastic, the forecasted profit for 2021FY is trending to show \$450,000 to the business 95% managed!
