Successful Lunch Bar Looking for some New Owner Flair

Business for Sale Description

5 Day Lunch Bar Business for Sale Auckland

This traditional lunch bar is located on a main road in a busy industrial area in Auckland.

By offering a classic menu of well priced grab and go food, sales have remained very stable as those working in the area frequent the lunch bar regularly.

This opportunity also enables you to keep your weekends for family and hobbies as the business only operates Monday to Friday.

A husband and wife team have successfully run this lunch bar for the past 4 years but that's not to say new ownership couldn't look to shake things up. New menu items could go down a treat with the regulars.

Being a family run business the couple have taken great pride in maintaining the onsite equipment, which includes a walk in cooler.

If you're looking for a stable business opportunity then this is for you.

Priced at \$190,000 plus stock (\$2,000 approximately)
